Process Safety 4.0

The 4th PTES PSM Conference

Process Safety Excellence: The Challenge & The Opportunity

Increasingly, stakeholders, regulators and insurers are asking what companies are doing to improve the safety and reliability of high hazard facilities. The challenge is the complex interaction between systems, skills and culture to ensure that safeguards and barriers are effective when needed.

This symposium will address many of the issues facing our Industry with an agenda developed by a combined PTT Technical Committee

Keynote Speakers confirmed:

- Mr. Attapon Jirawatjanya, Deputy Governor, IEAT
“Implementation of Process Safety Management in Industrial Estates”
- Mr. David John PTTEP VP Process Safety & Assurance
“The Legacy of Montara”
- Ms. Sulo Belawan, PETRONAS Group Head of Process Safety
“Achieving Process Safety Excellence by Leveraging on Digitalisation”
- Mr. Jonathan Felton , AON Asia Regional Director
“Insurance Engineering: Valued Partner for Continued Risk Improvement”
